

A SANCTUARY FOR YOUR SENSES

OVERVIEW

We are a unique luxury hotel with 25 terraced suites and 2 private villas surrounded by the ocean. You will find in this hideaway breathtaking views of Zihuatanejo Bay and easy access to the beautiful beach of La Ropa.

Each of our suites have a distinctive layout and design, ample terraces, living spaces and selected handicrafts. La Casa Que Canta offers flexible spaces proving ideal for a romantic getaway, a tranquil retreat or an intimate gathering.

OUR SERVICE

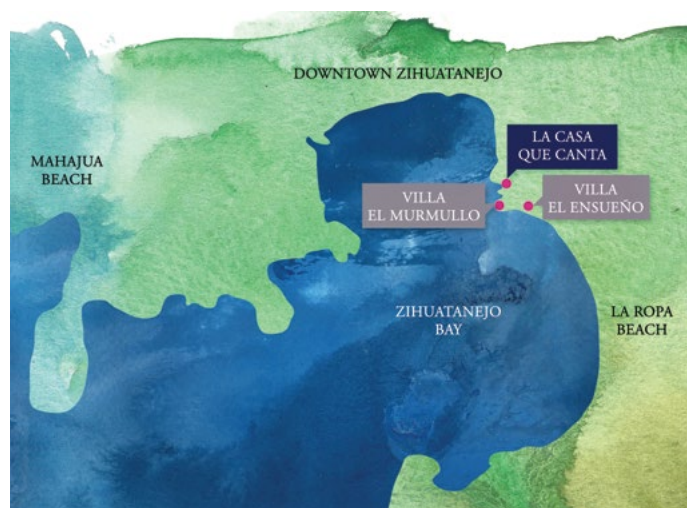

Working as a family, we have created a refined, peaceful haven with an essence, a history and a unique personality. We are renowned for our privacy, excellent cuisine and most of all for delivering a warm experience with careful attention to detail.

CUISINE

In addition to having one of the best views directly over the sea, our Mar y Cielo restaurant offers contemporary Mexican cuisine with a French touch. We offer delicate dishes with an emphasis on seafood, using wild caught shrimp and fish, fresh meat and vegetables.

FACILITIES

We offer luscious landscapes in a terraced architecture with facilities such as an infinity pool overlooking the bay, a saltwater pool and Jacuzzi; a fully equipped fitness center; meeting room and TV room and the exclusivity of Clarins SPA in Mexico.

LOCATION

La Casa Que Canta is just a few steps above La Ropa beach and 5 minutes away from the town's center. It is conveniently located just 20 minutes from the Ixtapa-Zihuatanejo International Airport. Our team will welcome you and can arrange all your transfers.
